# Military Academy

**Military Academy** (AM) is a Public Military University that has the mission of training officers for the Portuguese Army and the Republican National Guard.

The core pillars of AM are based on developing technical skills and competences needed to accomplish the mission of both Army and GNR officers, while promoting individual development needed for the exercise of command, leadership and management.

(Ordinance n.º 22/2014, 31st of January)
